

## **Project Report (2013-14)**

Submitted to **NIT Rourkela** in partial fulfillment of requirements for the **Award of B-Tech Degree** during Academic Year 2013-2014.

**By**

**Subhajit Sahu (110EC0181)**

Under the Esteemed Guidance of

**Prof. D. P. Acharya,  
Department of ECE,  
NIT Rourkela.**

# Design and Implementation of a Heterogeneous Sensor-based Embedded System for Flood Management

An undertaking by

**Subhajit Sahu**

B-Tech Student,

Department of Electronics & Communication Engineering,  
National Institute of Technology, Rourkela.

**Project Guide:**

**Prof. D. P. Acharya,  
Department of ECE,  
NIT Rourkela.**

# ACKNOWLEDGEMENT

An endeavor over a long period can be successful only with the advice and support of many well-wishers. I now take this opportunity to express our gratitude and appreciation to all of them.

I would like to express my gratitude towards my **Parents and brother** for their kind co-operation and encouragement which help me in completion of my final year project.

I express my most heartfelt gratitude to my guide **Prof, D. P. Acharya**, Department of ECE, NIT Rourkela, for his invaluable guidance, technical supervision, valuable feedback and constructive discussions & suggestions for improving the quality of my project at NIT Rourkela. Without his involvement and supervision it would have been impossible to complete final year project.

Last but not the least; I would like to express my special gratitude and thanks to my friends, especially **Manoranjan Minz** for giving me such attention and time for my project.

.....  
**Subhajit Sahu,**  
B-tech Student,  
Department of Electronics & Communication Engineering,  
National Institute of Technology, Rourkela.
